

Alejandro Carey

Resume

Reliable Worker • Technically Savvy • Highly Adaptable

Roseville, MN • 612.289.2885 • alejandrojuan.carey@gmail.com • [LinkedIn Profile](#)

As a highly motivated and enthusiastic high school student, I am seeking a summer job or internship where I can apply my skills and abilities, learn from experienced professionals, and gain practical experience. I am eager to contribute my positive attitude, strong work ethic, and willingness to learn to support the organization's success.

Work Experience

Feb 2025 - Present **Best Buy** **St. Paul, MN**

Team Developer of Team SpiderTech

- o Responsible for the visual design of our team's project: RFID Card, User Website
- o Responsible for the code of a component of the project: Thermal Printer
- o Software: Arduino IDE, Python, Visual Studio Code, C++, HTML

Jun 2022-Present **Freelance Photographer & Entrepreneur**

Freelancer

- o Maintain a photography website to showcase and sell work: www.alejandrocarey.com
- o Use software such as Adobe Lightroom, Photoshop, Wordpress, Etsy
- o Sell custom prints/products (Calendars, Coasters, Keychains, Prints) for two years.

Aug 2024 - Jan 2025 **CLUES** **St. Paul, MN**

Freelance Consultant

- o Contributed to a project that aims to improve CLUES Canasta Familiar's service by developing an automated ticketing system. This project is aimed to reduce waiting times and increase service.
- o Our system's software included the following: Arduino IDE, C++

Jun 2024 - Aug 2024 **Best Buy** **Bloomington, MN**

Production Studio Intern

- o Collaborated with other interns to produce two commercials for social media distribution.
- o My technical skills in Adobe Premier Pro and camera operation were essential to the successful completion of these commercials, which are now being used to engage consumers on Best Buy's social media channels

Oct 2022 - May 2024 **Fresh Films DT** **St. Paul, MN**

Youth Filmmaker

- o Year 1: I was part of a 13-person filmmaking crew responsible for creating 5 different films and documentary projects, including a Roku Change Makers doc.
- o Year 2: I led an 8-person crew to create 5 short films in different styles
